

LIFEGROUPS

A WEEK OF SHARING

This week, instead of the usual studies, we thought we'd let you have some questions to help you share and get to each other on a more deeper level, and hopefully lead to praying for each other.

Hope you enjoy this week, and it develops your friendships with the others in your Lifegroup.

Take your pick!

1. When you were a child, what did you want to grow up to become?
2. What is your favourite scent in the whole world? And what scent makes you vomit?
3. If you had the money, resources and ability to change the world, what would you do and why?
4. Do you support any charities? Which charity do you know that needs more support?
5. What were you like before you became a Christian? How has it changed since becoming a Christian?
6. Sum up your entire life into 10 words.
7. When was the last time you cried?
8. How often do you speak to your parents?
9. What has been some things God has been teaching you lately?
10. What aspect of your character defines you and sets you apart from other people?
11. Where and what were you doing 4 years ago, today?
12. If you could step back in time to your childhood, what childhood memory would you want to relive and why?
13. Who or what do you draw inspiration from?
14. Is there a phone app, computer programme you could never live without?
15. If you could write a letter to the person you were last year, what would you write? and why?
16. What's the last book you read?
17. What are some foods you dislike/are allergic to?
18. When did you last lie? What was the lie about?
19. Who is someone in church you feel God is using to challenge you? (you may wish to not name names)
20. What's something you struggle to trust God with?
