FAITH STUDY: JESUS KING FOREVERMORE

WARMING UP

1. Describe your ultimate perfect day.

SHARING

2. Share with the group your ultimate favourite worship song, the song that always strikes a chord in your heartstrings when you hear the song and/or sing. Why is this your favourite worship song?
3. Spend some time looking through each others' favourite worship song lyrics. Which line particularly touches you? Why?

It's moments of worship and remembrance of certain pivotal points in our Christian walk with Christ, when we reflect and realign ourselves with God, remembering all that He has done for us and the impact of His sacrificial love upon our lives.

May our daily lives be an act of worship to God, may He be the song in our hearts and may we sing praises to Him daily, whether in good seasons or stormy ones.

Our perfect days and moments of ultimate heartfelt worship, or even moments of encounters with God here on earth, truthfully, is only the tip of the iceberg, a brief taster, a mere glimpse of how glorious of what God has in store for us in heaven.

WORSHIP & PRAYER

4. If possible, spend some time worshipping God together with one, two or all of the worship songs. Let this time be a time to sing adoration and worship back to our God and our King.

TAKE HOME REFLECTION:

5. How can we be even more excited and spur each other on to eagerly look forward to spend eternity with God?
