

**Luke 5:17-26**

## **Crowds**

Do we the church  
isolate seekers?

## **Teachers**

Do we as leaders  
isolate our  
disciples?

## **Friends**

Do we isolate  
fellow  
Christians?

## **Paralytic**

Do we isolate  
ourselves from  
Jesus' plan?

The paralytic's **pressing need** to be healed was not his **primary need**

Our **pressing/felt need** may not be our **primary/deepest need** in God's plan

福

May we as **BCEC**  
be sensitive and  
welcoming to those  
that seek Jesus'  
love and grace

May we as **friends**  
passionately love  
and spur fellow  
Christians toward  
Jesus

May we as **leaders**  
serve our disciples  
with Jesus' love  
and humility

May we **personally**  
love all of Jesus'  
perfect plan as we  
walk on with Him
